

GROWING TOMORROW'S TALENT TODAY

ATTRACT...

students to your industry with interactive, online company profiles.

ADVANCE...

students' skills in areas that are important to your company.

ACHIEVE...

the skilled workforce your business needs for the future.

WHAT IS MI BRIGHT FUTURE?

MI Bright Future is an integrated online career development system that allows students to explore career options and connect to local employers.

HOW CAN I HELP?

Create your free online profile by registering on mibrightfuture.org! Our team will help you get set up and connected to local schools to increase your visibility to students, parents, and educators!

HOW DOES IT WORK?

Powered by a technology that Michigan schools already use for student education and career planning, MI Bright Future allows students to view company profiles and opportunities.

WITH MI BRIGHT FUTURE YOU CAN...

Reach

168,000 students at full capacity

Connect to

2,300 teachers, administrators, and counselors

Offer over

20 types of career development opportunities

- **Company tours**
- **Internships**
- **Job shadows**
- **Teacher experiences**
- ... And many more!
